The term "Variable Rate" refers to academic units that have chosen to pay a departmentally-determined salary, rather than the set base rate salary. These variable rates are still a set amount as listed on this salary schedule, they simply vary from the standard base rates.

***BIOMEDICAL RESEARCH DEPARTMENTS (formerly Basic Sciences Departments):** Biochemistry, Biological Structure, Comparative Medicine, Genome Sciences, Immunology, Biomedical Informatics & Medical Education, Microbiology, Molecular Mechanisms of Disease (M3D), Pharmacology, Physiology and Biophysics, and **Interdisciplinary Programs:** Molecular and Cellular Biology; Neuroscience; Biological Physics, Structure and Design

Schedule 3 appointees also receive additional compensation each quarter equivalent to the resident operating fee of their specific tuition tier. Amount will vary by respective tier, and appointees should verify the amount with their hiring unit.

Workday Job Entry: ALL jobs use the Research Assistant (NE UAW ASE) Job Profile in Workday. Each variable rate department has a separate Grade Profile that determines the overall salary range, and then Step is used to determine the salary schedule and the academic level of the student. For departments that pay the same rate at all academic levels, the correct step includes the terminology "All."

Salary rates are effective 7/1/2023-6/30/2024
